- be collaborative and supportive in pair work and teamwork;
- actively join in class activities.

##### 3. Personal qualities

- develop a positive attitude towards music;
- be aware of the important role of music in our life.

##### 4. Digital Competence

- Show others how to access digital music data (1.1NC1c).

#### II. MATERIALS

- Grade 10 textbook, Unit 3, Getting started
- Computer connected to the Internet
- Projector/ TV/ pictures and cards

#### Language analysis

| Form                      | Pronunciation           | Meaning                                                                                                            | Vietnamese equivalent |
|---------------------------|-------------------------|--------------------------------------------------------------------------------------------------------------------|-----------------------|
| 1. talented (adj)         | /'tæləntɪd/             | having a natural ability to do something well                                                                      | có tài năng           |
| 2. musical instrument (n) | /,mju:zɪkl 'ɪnstɹəmənt/ | an object used for producing musical sounds, for example a piano or a drum                                         | nhạc cụ               |
| 3. trumpet (n)            | /'trʌmpɪt/              | a brass musical instrument made of a curved metal tube that you blow into, with three valves for changing the note | kèn trumpet           |
| 4. perform (v)            | /pə'fɔ:m/               | entertain an audience by playing a piece of music, acting in a play, etc.                                          | biểu diễn             |

#### Assumptions

| Anticipated difficulties                                                                                                                                                                   | Solutions                                                                                                                                                                                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"><li>- Students may not understand the meaning of some words and may mispronounce them</li><li>- Students may become bored with easy exercises.</li></ul> | <ul style="list-style-type: none"><li>- Pre-teach these new words, using pictures and have them listen to the sounds of these words and repeat.</li><li>- Challenge them with a harder task.</li></ul> |

# UNIT 3: MUSIC

## Lesson 2: Language

### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

#### 1. Knowledge

- pronounce two-syllable words with correct stress;
- understand and use words and phrases related to music;
- use conjunctions to make compound sentences;
- use *to*-infinitives and bare infinitives after some verbs.

#### 2. Core competence

- be collaborative and supportive in pair work and team work
- access and consolidate information from a variety of sources
- actively join in class activities

#### 3. Personal qualities

- be willing to learn new language points
- be aware of the important role of music in life.

#### 4. Digital Competence

- 5.3NC1a: Use learning apps/websites to practice language;

### II. MATERIALS

- Grade 10 textbook, Unit 3, Language
- Computer connected to the Internet
- Projector/ TV/ pictures and cards

### Language analysis

| Stress in two-syllable words                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>1. Most two-syllable nouns and adjectives have stress on the first syllable except for the ones ending with <i>oo</i>, <i>oon</i><br/>E.g. + table /'teɪbl/, climate /'klaɪmət/, happy /'hæpi/, clever /'klevə(r)/<br/>+ bamboo /bəm'buː/, balloon/bə'luːn/</p> <p>2. Most two-syllable verbs have stress on the second syllable except for the ones ending with <i>ow</i>, <i>en</i>, <i>er</i>, <i>le</i>, <i>el</i>, <i>ish</i>, <i>y</i>.<br/>E.g. + appear /ə'piə(r)/, explain /ɪk'spleɪn/<br/>+ finish /'fɪnɪʃ/, harden /'hɑːdn/, suffer /'sʌfə(r)/, follow /'fɒləʊ/, carry /'kæri/, struggle /'strʌɡl/,<br/>travel /'trævl/</p> |

| Verbs followed by<br><i>to</i> -infinitive (to + V)           | Verbs followed by<br>Bare infinitive (V)                                                                                     |  |

**\* Compound sentences**

Make compound sentences using the correct conjunctions.

**\* *To*-infinitives and bare infinitive**

Complete the sentences, using the *to*-infinitive or bare infinitive of the verbs.

**IV. Production**

Make compound sentences.

**\* Homework**

## II. PROCEDURES

**Notes:**

In each activity, each step will be represented as following:

- \* Deliver the task
- \*\* Implement the task
- \*\*\* Discuss
- \*\*\*\* Giving comments or feedback

| Stage       | Stage aim                                                                          | Procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Interacti<br>on | Tim<br>e |   |   |   |   |   |   |            |   |   |           |  |  |   |   |   |   |   |  |  |  |  |            |  |  |  |  |  |   |   |   |   |  |  |           |  |  |   |   |   |   |   |   |  |  |  |            |   |   |   |   |   |   |   |  |  |  |  |            |  |  |  |  |  |  |  |  |  |  |  |          |                                                             |                                          |

| WAR<br>M-UP | <div>- To arouse the classroom atmosphere</div> <div>- To lead in the lesson</div> | <p><b>Game: Board race</b><br/>(The topic word is: MUSIC)<br/>* Teacher gives instructions of how to play the game, and gives an example.<br/>** Ss discuss in their teams and write down the words.<br/>*** Ss in each team take turns to write their words on the board.<br/>**** Teacher confirms the correct words, decides the winner and leads in the lesson.</p> <p><b>Rules and an example of the game <i>Board race</i>:</b><br/>The class is divided into teams. In one or two minutes (depending on the number of the letters in the topic words), Ss have to find the words which are related to the topic and have one letter in the topic word. If the word begins with a letter in the topic word, the team gets one point, if the letter of the topic word appears in the middle position, the team gets two points and if the letter of the topic word is at the end of the word they have found, the team gets three points. For example, if the topic word is FILMS and with the words found in the table below, a team gets 9 points in total.</p> <table><tr><td></td><td></td><td></td><td></td><td></td><td>F</td><td>A</td><td>M</td><td>O</td><td>U</td><td>S</td><td>(1 point)</td></tr><tr><td></td><td></td><td>M</td><td>O</td><td>V</td><td>I</td><td>E</td><td></td><td></td><td></td><td></td><td>(2 points)</td></tr><tr><td></td><td></td><td></td><td></td><td></td><td>L</td><td>O</td><td>V</td><td>E</td><td></td><td></td><td>(1 point)</td></tr><tr><td></td><td></td><td>C</td><td>I</td><td>N</td><td>E</td><td>M</td><td>A</td><td></td><td></td><td></td><td>(2 points)</td></tr><tr><td>A</td><td>C</td><td>T</td><td>R</td><td>E</td><td>S</td><td>S</td><td></td><td></td><td></td><td></td><td>(3 points)</td></tr><tr><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td>9 points</td></tr></table> |                 |          |   |   |   | F | A | M | O          | U | S | (1 point) |  |  | M | O | V | I | E |  |  |  |  | (2 points) |  |  |  |  |  | L | O | V | E |  |  | (1 point) |  |  | C | I | N | E | M | A |  |  |  | (2 points) | A | C | T | R | E | S | S |  |  |  |  | (3 points) |  |  |  |  |  |  |  |  |  |  |  | 9 points | <div>T-S</div> <div>S-S</div> <div>S-S</div> <div>T-S</div> | <div>5</div> <div>min</div> <div>s</div> |

|                      | infinitives and bare infinitives                                                                                                      | <p>E.g. - When he was 12, his mother started to upload his cover song videos on social media.</p> <p>- His beautiful songs have helped bring more love into people's lives.</p> <p>- has Ss read the explanation in the <b>Remember!</b> box, checks understanding and provides some examples of the verbs used in sentences, e.g. <i>I decided to watch my favourite TV show. My mum let me watch the TV show.</i></p> <p>- asks Ss to read the sentences and identify the main verbs of the sentences. This will help them decide whether they need to fill in a <i>to</i>-infinitive or bare infinitive after that main verb.</p> <p>** Ss do the exercise individually.</p> <p>*** Ss compare answers in pairs.</p> <p>**** Teacher checks answers with the whole class.</p> <p><b>Key:</b> 1. <i>to send</i> 2. <i>fall</i> 3. <i>to delay</i> 4. <i>watch</i></p> | S-S<br>S-S<br>T-S |        |
| GRAMMAR (Production) | To help Ss further practise the <i>to</i> -infinitive, bare infinitive, compound sentences and vocabulary related to the topic music. | <p><b>Make compound sentences in which there is a <i>to</i>-infinitive or bare infinitive.</b></p> <p>* Teacher:</p> <p>- explains the rules of the task (Make compound sentences. One correct sentence gets one point. If you can use <i>to</i>-infinitive or bare infinitive and a word in the <i>Vocabulary</i> part, your points will triple.)</p> <p>- gives an example: + The cat chases, and the mouse runs (1 point)</p> <p>+ The singer started to sing, but many audiences were still talking. (3 points)</p> <p>** Ss do the task in groups of 3 or 4 in two minutes.</p> <p>*** The groups with the most sentences write their answers on the board.</p> <p>**** Teacher praises Ss for interesting ideas and decides the winner.</p>                                                                                                                       | T-S<br>S-S<br>T-S | 4 mins |
| CONSOLIDATION        | To help Ss memorise the target language and skills that they have learned                                                             | <p><b>Wrap-up</b></p> <p>* Teacher asks: What have you learnt today?</p> <p>- stress in two-syllable words;</p> <p>- words and phrases related to music;</p> <p>- conjunctions to make compound sentences;</p> <p>- <i>to</i>-infinitives and bare infinitives after some verbs.</p> <p><b>Homework:</b></p> <p>- Exercises in the workbook</p> <p>- Prepare for lesson 3 Unit 3.</p> <p>- Use learning apps/websites (such as Quizlet, Azota) to practice vocabulary and grammar learnt in class (applying Digital Competence 5.3NC1a)</p>                                                                                                                                                                                                                                                                                                                             | T-S               | 2 mins |

# UNIT 3: MUSIC

## Lesson 3: Reading

### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

#### 1. Knowledge

- read for specific information in a text about a famous TV music show;
- guess the meaning of words/phrases in context;
- talk about reasons why they want or don't want to participate in a music competition.

#### 2. Core competence

- be collaborative and supportive in pair work and team work;
- access and consolidate information from a variety of sources;
- develop presentation skill;
- actively join in class activities.

#### 3. Personal qualities

- recognise different musical shows;
- be eager to get more information about music shows.

#### 4. Digital Competence:

- 1.1NC1b: Apply search techniques to find information about music artists/shows.

### II. MATERIALS

- Grade 10 textbook, Unit 3, Reading
- Computer connected to the Internet
- Projector/ TV/ pictures and cards

### Language analysis

| Form                   | Pronunciation     | Meaning                                                                                                                                                                                                                        | Vietnamese equivalent |
|------------------------|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| reality (n)            | /ri'æləti/        | using real people (not actors) in real situations, presented as entertainment                                                                                                                                                  | thực tế               |
| stage (n)              | /steɪdʒ/          | a period or state that something/somebody passes through while developing or making progress                                                                                                                                   | giai đoạn             |
| semi-final (n)         | /,semi 'faɪnəl/   | one of the two games or parts of a sports competition that are held to decide who will compete in the last part (the <b>final</b> )                                                                                            | bán kết               |
| play a role in (idiom) | /pleɪ ə rəʊl ɪn / | be involved in or have an effect on                                                                                                                                                                                            | đóng vai trò          |
| ordinary (a)           | /ˈɔːdnəri/        | not unusual or different in any way<br><i>Readers of the <u>magazine</u> said they <u>wanted</u> more <u>stories</u> about <u>ordinary</u> <u>people</u> and fewer <u>stories</u> about the <u>rich</u> and <u>famous</u>.</i> | bình thường           |

### Assumptions

# UNIT 3: MUSIC

## Lesson 4: Speaking

### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

#### 1. Knowledge

- talk about a music show.

#### 2. Core competence

- be collaborative and supportive in pair work and team work;
- develop presentation skill;
- actively join in class activities;
- be creative;
- be critical in thinking.

#### 3. Personal qualities

- be eager to create a new musical show;
- be ready to share their ideas with the whole class;
- be able to self-study.

#### 4. Digital Competence

- Show others the most appropriate digital communication tool for discussion (2.1NC1b).

### II. MATERIALS

- Grade 10 textbook, Unit 2, speaking
- Computer connected to the Internet
- Projector/ TV/ pictures and cards

### Language analysis

| Form                | Pronunciation | Meaning                                                        | Vietnamese equivalent                       |
|---------------------|---------------|----------------------------------------------------------------|---------------------------------------------|
| dress up (ph.v)     | /dres ʌp/     | wear clothes that are more formal than those you usually wear  | ăn mặc đẹp, lịch sự                         |
| runner-up (n)       | /ˌrʌnər 'ʌp/  | a person or team that finishes second in a race or competition | á quân                                      |
| cash (n)            | /kæʃ/         | money in the form of coins or notes                            | tiền mặt                                    |
| come up with (ph.v) | /kʌm ʌp wið/  | suggest or think of an idea or plan                            | nảy ra, nghĩ ra<br>(1 ý tưởng, kế hoạch...) |

### Assumptions

| Anticipated difficulties                                                                                                                                  | Solutions                                                                                                                                                                                                                                                                                                                             |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> <li>- Ss may lack ideas to create a music show</li> <li>- Ss may lack lexical items to express their ideas.</li> </ul> | <ul style="list-style-type: none"> <li>- Remind them to use the ideas which they search on the Internet for homework in the reading lesson and show them some music shows in warm-up activities so that they can recall the names of the shows and their regulations.</li> <li>- Be ready to help them with English terms.</li> </ul> |

## Board Plan

*Date of teaching*  
**UNIT 3: MUSIC**  
**Lesson 3: Speaking**

\* **Warm-up:** Video watching

Vocabulary

Task 1: Read about a TV music show and complete the notes below.

Task 2: Work in groups. Make up a new music show. Use the points in 1 to organise your ideas.

Task 3: Present your show to the whole class. Use your ideas in 2 and the expressions below. Vote for the best show.

\* **Homework**

## III. PROCEDURES

### Notes:

In each activity, each step will be represented as following:

- \* Deliver the task
- \*\* Implement the task
- \*\*\* Discuss
- \*\*\*\* Giving comments or feedback

| Stage                | Stage aim                                                                                                                                                           | Procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Interaction                                 | Time   |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|--------|
| WARM-UP              | <ul style="list-style-type: none"><li>- To arouse the classroom atmosphere</li><li>- To lead in the lesson</li></ul>                                                | <p><b>Video watching:</b> Watch the video and write down the names of the music shows.</p> <p>* Teacher gives the instructions and plays the recording.</p> <p>** Ss watch the video and write down the name the the music shows</p> <p>*** Ss share their answers with a partner.</p> <p>**** Teacher checks by having some Ss to call out the answers</p> <p><b><i>Suggested answers:</i></b> America's Got Talent, Pop Idol, Vietnam's Got Talent, Perfect Edition (Cover Star), X Factor</p> | <p>T-S</p> <p>S-S</p> <p>S-S</p> <p>T-S</p> | 6 mins |
| PRESE<br>NTATI<br>ON | <ul style="list-style-type: none"><li>- To pre-teach some vocabulary so that Ss can understand the meaning and use them correctly in main speaking tasks.</li></ul> | <p><b>Vocabulary</b></p> <p>* Teacher:</p> <ul style="list-style-type: none"><li>- shows the words one by one, plays the recording and has Ss repeat the sound of the words</li><li>has Ss guess the meaning of the words based on pictures, explanations or examples.</li></ul> <ol style="list-style-type: none"><li>1. dress up (ph.v): wear clothes that are more formal than those you usually wear</li></ol>                                                                               | <p>T-S</p>                                  | 5 mins |

2. runner-up (n): a person or team that finishes second in a race or competition

3. cash (n): money in the form of coins or notes

4. come up with (ph.v): suggest or think of an idea or plan

\*\* Ss do as instructed.

\*\*\*\* Teacher confirms the meaning, calls on some individual Ss to make sentences with each word.

### **TASK 1: READ ABOUT A TV MUSIC SHOW AND COMPLETE THE NOTES BELOW.**

\* Teacher:

- asks Ss to look at notes first and try to guess the type of information they need to fill in and then has Ss call out their guesses, but does not tell them if they are correct or wrong.
- tells Ss to read the TV show description and find the information to complete the note individually in two minutes.

\*\* Ss do as instructed.

\*\*\* Ss compare their answers in pairs.

- To introduce more ideas for the main speaking tasks and get Ss involved in the lesson

|                  |                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                              |         |
| FREE<br>PRACTICE | To give Ss the opportunity to present their music shows to the class. | <b>TASK 3: PRESENT YOUR SHOW TO THE WHOLE CLASS. USE YOUR IDEAS IN 2 AND THE EXPRESSIONS BELOW. VOTE FOR THE BEST SHOW.</b><br>* Teacher:<br>- has Ss work in the same groups as in 2 in 3 minutes to prepare for their presentation using the ideas in 2.<br>- reminds them to use the expressions provided in the box and makes sure that each student in the group is responsible for presenting a different aspect of the show.<br>- reminds them to pay attention to body language (smile, make eye contact), speech (speak clearly and not too quickly)<br>** Some groups talk about their show. The rest of the class listen, ask questions at the end of the presentation, and take notes of the things they like or don't like about the proposed music show.<br>*** Teacher:<br>- asks Ss to vote for the most interesting show.<br>- gives comments and praise Ss for good effort, interesting ideas and, teamwork. | T-S<br><br>S-S<br>S-S<br>T-S | 15 mins |
| CONSOLIDATION    | To help Ss memorise the content of the lesson                         | <b>Wrap-up</b><br>Teacher asks: What have you learnt today?<br>- talk about music shows<br><b>Homework</b><br>- Exercises in the workbook<br>- Search the Internet for some information about music festivals.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | T-S                          | 2 mins  |

# UNIT 3: MUSIC

## Lesson 5: Listening

### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

#### 1. Knowledge

- listen for gist and specific information in an interview about a music festival;
- talk about the reasons why they want/ don't want to go to a music festival.

#### 2. Core competence

- be collaborative and supportive in pair work and team work;
- actively join in class activities;
- develop presentation skills;
- be critical in thinking.

#### 3. Personal qualities

- be more interested in music and music events.

#### 4. Digital Competence

- 1.2NC1a: Evaluate information from listening passages in a digital environment.

### II. MATERIALS

- Grade 10 textbook, Unit 3, Listening
- Computer connected to the Internet
- Projector/ TV/ pictures and cards

### Language analysis

| Form               | Pronunciation      | Meaning                                                                                                                      | Vietnamese equivalent |
|--------------------|--------------------|------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| background (n)     | /ˈbæk.graʊnd/      | sounds that can be heard behind other sounds that are louder                                                                 | hậu cảnh              |
| stage (n)          | /steɪdʒ/           | a raised area, usually in a theatre, etc. where actors, dancers, etc. perform                                                | sân khấu              |
| free of charge (n) | /ˌfriː əv ˈtʃɑːdʒ/ | without having to pay                                                                                                        | miễn phí              |
| overcrowding (adj) | /ˌəʊvəˈkraʊdɪŋ/    | the situation when there are too many people or things in one place                                                          | quá đông              |
| in advance (idiom) | /ɪn ədˈvɑːns/      | before the time that is expected; before something happens<br><i>If you're going to come, please let me know in advance.</i> | trước                 |

### Assumptions

| Anticipated difficulties                          | Solutions                                                   |
|---------------------------------------------------|-------------------------------------------------------------|
| - Ss may lack knowledge about some lexical items. | - Provide them with the meaning and pronunciation of words. |

|                                                                          |                                                                   |
|--------------------------------------------------------------------------|-------------------------------------------------------------------|
| - Ss may not catch the ideas to decide the statements are true or false. | - Remind them to pay attention to the key words in each sentence. |
|--------------------------------------------------------------------------|-------------------------------------------------------------------|

## Board Plan

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p style="text-align: center;"><i>Date of teaching</i><br/> <b>Unit 3: MUSIC</b><br/> <b>Lesson 5: Listening</b></p> <p>* <b>Warm-up:</b> Video watching<br/> Vocabulary<br/> Task 1: Look at the picture and answer the questions.<br/> Task 2: Listen to an interview. Tick the information that you hear in the recording.<br/> Task 3: Listen again and decide whether the following statements are true (T) or false (F).<br/> Task 4: Discussion<br/> * <b>Homework</b></p> |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## III. PROCEDURES

### Notes:

In each activity, each step will be represented as following:

- \* Deliver the task
- \*\* Implement the task
- \*\*\* Discuss
- \*\*\*\* Giving comments or feedback

| Stage   | Stage aim                                                                           | Procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Interaction             | Time   |

# UNIT 3: MUSIC

## Lesson 6: Writing

### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

#### 1. Knowledge

- use lexical items related to the topic Music;
- write a blog about experiences at a music event.

#### 2. Core competence

- be collaborative and supportive in pair work and team work;
- actively join in class activities;
- be imaginative and creative;
- develop presentation skills.

#### 3. Personal qualities

- be inspired to learn more about music and music events;

#### 4. Digital Competence:

- 3.1NC1a: Create and edit biography content on a computer (Applied here as: Create and edit the blog post content on a computer/digital device).

### II. MATERIALS

- Grade 10 textbook, Unit 2, writing
- Computer connected to the Internet
- Projector/ TV/ pictures and cards

### Language analysis

| Form               | Pronunciation    | Meaning                                                                                                                                | Vietnamese equivalent              |
|--------------------|------------------|----------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| hit (n)            | /hɪt/            | a song that is very popular                                                                                                            | bài hát nổi tiếng                  |
| take place (phr.v) | /teɪk pleɪs/     | happen, especially after previously being arranged or planned<br><i>The music festival will take place on February 5<sup>th</sup>.</i> | diễn ra                            |
| art exhibition (n) | /ɑ:t ˌeksɪˈbɪʃn/ | a collection of works of art, that are shown to the public                                                                             | bộ sưu tập các tác phẩm nghệ thuật |

### Assumptions

| Anticipated difficulties                                                                    | Solutions                                                                                                               |
|---------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| - Ss may lack ideas to write a blog because they haven't participated in real music events. | - help Ss brainstorm the ideas based on Ann's notes and have Ss play a chain game to practise describing an experience. |

### Board Plan

### \* Homework

\*\*\*\* Giving comments or feedback

| Stage   | Stage aim                                                                                                                                      | Procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Interaction                                                              | Time   |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|--------|
| WARM-UP | <ul style="list-style-type: none"> <li>- To arouse the classroom atmosphere</li> <li>- To get Ss be actively involved in the lesson</li> </ul> | <p><b>Game: Guess the mystery words.</b></p> <p>* Teacher:</p> <ul style="list-style-type: none"> <li>- divides the class into two teams, and explains the game rules.               <ul style="list-style-type: none"> <li>+ Ss look at the pairs of pictures and guess the mystery words</li> <li>+ One point for each earliest correct answer.</li> </ul> </li> <li>- shows one or two examples:               <ul style="list-style-type: none"> <li>+ queen bee</li> </ul> </li> </ul> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> <p>+ waterfall</p> | <p>T-S</p><br><br><br><br><br><br><br><br><br><p>S-S<br/>S-S<br/>T-S</p> | 5 mins |

\*\* Ss do as instructed.

\*\*\* Ss in each team think, discuss and guess the words.

\*\*\*\* Teacher confirms the correct words, decides the winner and leads in the lesson.

*Suggested words:*

come back

shutterstock.com · 1174120819

music event

blog writing

experience sharing

music website

PRE-  
WRITIN  
G

- To pre-teach the pronunciation and the meaning of some vocabulary so that Ss can understand the content of the reading.

\* Teacher:

- shows the words one by one, plays the recording and has Ss repeat the sounds of the words.
- has Ss guess the meaning of the words based on pictures, explanations and examples.

1. hit (n): a song that is very popular

| 1962<br>Billboard<br>THE INTERNATIONAL NEWSWEEKLY OF MUSIC AND HOME ENTERTAINMENT |                                                           |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------|
| Top Rock'n'Roll Hits                                                              |                                                           |
| 1 GREEN ONIONS<br><small>Green Onions</small>                                     | 6 THE LOCO-MOTION<br><small>Lochery</small>               |
| 2 DUKE OF EARL<br><small>Long Chanters</small>                                    | 7 THE WANDERER<br><small>Long</small>                     |
| 3 SOLDIER BOY<br><small>The Beatles</small>                                       | 8 BREAKING UP IS HARD TO DO<br><small>Neil Sedaka</small> |
| 4 SHEILA<br><small>Travis</small>                                                 | 9 JOHNNY ANGEL<br><small>Shirley &amp; Friends</small>    |
| 5 PEPPERMINT TWIST-PART 1<br><small>Ray Charles &amp; The Soulmates</small>       | 10 PALISADES PARK<br><small>Frankie Cannon</small>        |

2. take place (phr.v): happen, especially after previously being arranged or planned

*The music festival will take place on*

*February 5<sup>th</sup>.*

3. art exhibition (n): a collection of works of art, that are shown to the public

T-S

5 mins

\*\* Ss do as instructed.  
 \*\*\*\* Teacher confirms the meaning, calls on some individual Ss to make sentences with each word.

S-S  
 T-S

- To provide an example blog on a music website, which Ss can use as a model for their writing.

**TASK 1: COMPLETE THE NOTES.**  
 (Ex. 1, p.33)  
**Ann has just come back from a music event and shared her experience on a music website. Read her blog and complete the notes below.**  
 \* Teacher introduces the context of the blog, elicits the meaning of the word *blog* and why people write blogs and asks Ss if they read blogs.  
 \*\* Ss read the blog individually and complete the notes in 3 minutes.  
 \*\*\* Ss work in groups to compare their answers.  
 \*\*\*\* Teacher checks the answers as a class.  
 ( In weaker classes, ask questions, e.g. *Which event did Ann go to?* and have individual Ss answer. In stronger classes, invite Ss to formulate and ask the questions.)

**Key: Ann's notes**

- **Event:** International Youth Music Festival
- **When:** last Saturday
- **Where:** in a big country park
- **Who with:** some friends
- **Atmosphere:** party
- **What we did:**
  - saw favourite idols perform live on stage and listened to their greatest hits
  - tasted yummy food from different countries
  - made new friends
- **How we felt:** excited

|                  | <p>- To provide Ss with some useful words and phrases to describe experiences;</p> <p>- To help Ss develop ideas for their writing in 3.</p> | <p><b>TASK 2: PUT THE WORDS &amp; PHRASES INTO THE APPROPRIATE COLUMNS.</b> (Ex.2, p.34)</p> <p><b>Work in groups. Put the words and phrases in the box below into the appropriate columns. Some words and phrases can go into more than one column.</b></p> <p>* Teacher asks Ss to look at the words and phrases in the box and elicits the meanings of any words or phrases Ss don't understand.</p> <p>** Ss work into groups to put the words and phrases into suitable columns.</p> <p>**** Teacher:</p> <p>- calls on some groups to write their answers on the board and has the rest of the class comment on the way they have sorted the words and phrases.</p> <p><b>Extention:</b> has Ss play a chain game to practise describing an experience: Put Ss into teams and have each team sit in a circle. One student in each team starts the game by saying what kind of event they went to, e.g. <i>We went to a Pop Music Festival</i>. The next student adds another detail, e.g. <i>The event took place in the country park</i>. This continues until someone in the team gets mixed up, repeats information or can't think of anything to add. The winner is the team that continues their chain for the longest time.</p> <p><b>Key:</b></p> <table><tr><th>Location</th><th>Atmosphere</th><th>Activities</th></tr><tr><td>beach<br/>stadium</td><td>amazing<br/>friendly<br/>relaxed<br/>wonderful<br/>fun</td><td>watch film<br/>play games<br/>take photos<br/>see art exhibition<br/>play musical instruments</td></tr></table> | Location   | Atmosphere | Activities | beach<br>stadium | amazing<br>friendly<br>relaxed<br>wonderful<br>fun | watch film<br>play games<br>take photos<br>see art exhibition<br>play musical instruments | <p>T-S</p> <p>S-S</p> <p>T-S</p> | 8 mins |

I could sum up the concert in one word, INCREDIBLE. We found our way up to our seats after having a light meal and stood in a queue at the gate of the stadium for 45 minutes. When the curtain was raised to reveal the F5 band, the entire stadium went absolutely crazy. I was thrilled by every of their performances. There was so much emotion in many of their songs, and the way they performed was so terrific. This was such a wonderful experience, a night that I'll never forget. I'm so grateful to have been able to have that experience.</p> | <p>S-S</p> <p>S-S</p> <p>T-S</p> |        |
| CONSOLIDATION | To help Ss memorise the content of the lesson | <p><b>Wrap-up</b></p> <p>Teacher asks: What have you learnt today?</p> <p>- We have practised writing a blog about experiences at a music event.</p> <p><b>Homework:</b></p> <p>- Search the Internet for music blogs, choose one that you like most and post it on your class' Facebook or Zalo group, the blog which gets the most likes will be rewarded.</p> <p>- prepare for Communication and Culture lesson.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | T-S                              | 2 mins |

# UNIT 3: MUSIC

## Lesson 7: Communication and Culture/ CLIL

### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

#### 1. Knowledge

- make and respond to suggestions;
- identify *chau van* singing and other types of traditional music in Viet Nam.

#### 2. Core competence

- be collaborative and supportive in pair work and team work;
- access and consolidate information from a variety of sources;
- be creative and imaginative in making conversations
- actively join in class activities.

#### 3. Personal qualities

- be willing to learn about national folk music;
- be responsible for maintaining national folk music and national culture.

#### 4. Digital Competence:

- 2.6NC1a: Use multiple digital identities (e.g., creating a dedicated profile on a music social media platform to promote traditional music, distinct from a personal profile).

### II. MATERIALS

- Grade 10 textbook, Unit 3, Communication and Culture/ CLIL
- Computer connected to the Internet
- Projector/ TV/ pictures and cards

#### Language analysis

| Form         | Pronunciation | Meaning                                                                                                                                                                                 | Vietnamese equivalent           |
|--------------|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|
| praise (v)   | /preɪz/       | say that you approve of and admire somebody/something                                                                                                                                   | ca ngợi                         |
| chanting (n) | /'tʃɑːntɪŋ/   | the activity of singing a prayer or song to a simple tune, or repeating or singing a word or phrase continuously                                                                        | vịnh xướng,<br>lời cầu khẩn     |
| psychic (n)  | /'saɪkɪk/     | a person who claims to have strange mental powers so that they can do things that are not possible according to natural laws, such as predicting the future and speaking to dead people | bà đồng, ông đồng               |
| saint (n)    | /seɪnt/       | a person that the Christian Church recognizes as being very holy, because of the way they have lived or died                                                                            | vị thánh, vị thần,<br>thần linh |

## III. PROCEDURES

### Notes:

In each activity, each step will be represented as following:

- \* Deliver the task
- \*\* Implement the task
- \*\*\* Discuss
- \*\*\*\* Giving comments or feedback

| Stage   | Stage aim                                                                                                                                                   | Procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Interaction                 | Time   |

# UNIT 3: MUSIC

## Lesson 8: Looking back and project

### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

#### 1. Knowledge

- pronounce two-syllable words with correct stress;
- understand and use words and phrases related to music;
- use conjunctions to make compound sentences correctly;
- use *to*-infinitives and bare infinitives after some verbs correctly;
- do research on traditional music in Viet Nam or another country and give a group presentation about it.

#### 2. Core competence

- develop communication skills and creativity;
- develop presentation skill;
- develop critical thinking skill;
- be collaborative and supportive in pair work and team work;
- actively join in class activities.

#### 3. Personal qualities

- be more creative when doing the project;
- develop self-study skills.

#### 4. Digital Competence

- 3.3NC1a: Apply regulations on music/image copyright in projects;
- 5.3NC1b: Apply individual and collective cognitive processing to solve creative problems.

### II. MATERIALS

- Grade 10 textbook, Unit 3, Looking back and project
- Computer connected to the Internet
- Projector/ TV/ pictures and cards
- Pictures, A0 paper

### Assumptions

| Anticipated difficulties                                | Solutions                                                                                                                                                             |
|---------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| - Students may have underdeveloped presentation skills. | - Give them a suggested checklist for peer assessment and ask them to read carefully and try to practise in advance and apply those techniques in their presentation. |

### Board Plan

|                                                                                                                                                                                                                                                                                                                                                                                                            |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p style="text-align: center;"><i>Date of teaching</i><br/><b>Unit 3: MUSIC</b><br/><b>Lesson 8: Looking back and Project</b></p> <p>* <b>Warm-up:</b> Game: The last man standing</p> <p><b>I. Looking back</b></p> <p>Pronunciation: Listen and mark the stressed syllables in the following words. Then read them out.</p> <p>Vocabulary: Complete the text using the words and phrases in the box.</p> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Grammar:

1. Match the two parts to make complete sentences.
2. There is a mistake in each sentence below. Find the mistake and correct it.

## II. Project

Traditional music

\* **Homework**

### Notes:

In each activity, each step will be represented as following:

- \* Deliver the task
- \*\* Implement the task
- \*\*\* Discuss
- \*\*\*\* Giving comments or feedback

| Stage        | Stage aim                                                                                                                                               | Procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Interaction                               | Time   |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------|--------|
| WARM-UP      | <ul style="list-style-type: none"> <li>- To arouse the classroom atmosphere.</li> <li>- To help Ss revise words/phrases related to the topic</li> </ul> | <p><b>Game: The last man standing</b></p> <p><b>Rules:</b> Have ten Ss form a circle and stand at a center with a ball. Ss take turns to speak out a word related to the topic Music and pass the ball to one student. Let them toss it to another student as they name the word related to the theme. If they repeat a word or can't say any more words, they need to sit down. The last student standing wins the game.</p> <p>* Teacher: - invites ten Ss to form a circle and stand at a center with a ball.</p> <p>- explains the game rules to Ss</p> <p>** Ss do as instructed</p> <p>**** Teacher praises the Ss with the most words and the most interesting words/ phrases.</p>                                                         | <p>T-S</p> <p>S-S</p> <p>T-S</p>          | 5 mins |
| LOOKING BACK | To help Ss revise stress in two-syllable words.                                                                                                         | <p><b>PRONUNCIATION</b></p> <p><b>Listen and mark the stressed syllables in the following words. Then read them out.</b></p> <p>* Teacher:</p> <p>- has Ss do this activity individually, then compare their answers in pairs.</p> <p>- plays the recording, pausing after each word for Ss to check their answers.</p> <p>- writes the correct answers on the board if necessary.</p> <p>- plays the recording again for Ss to repeat the words.</p> <p>** Ss do as instructed.</p> <p>*** Ss compare their answers with a partner.</p> <p>**** Teacher has Ss practise saying the words in pairs and checks their pronunciation.</p> <p><b>Key + Audio script – Track 24:</b></p> <p><i>per'form 'concert 'final 'singer 'famous en'joy</i></p> | <p>T-S</p> <p>S</p> <p>S-S</p> <p>T-S</p> | 5 mins |

|         |                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                           |                                                     |
