### REVIEW 3

#### Lesson 1: Language

#### I. OBJECTIVES

By the end of this lesson, Ss will be able to:

##### 1. Knowledge

- revise the language Ss have learnt in Units 6-8.
- introduce the review by asking Ss if they remember what they have learnt so far in terms of language.

##### 2. Competences

- Develop communication skills and creativity;
- Be collaborative and supportive in pair work and teamwork;
- Actively join in class activities.

##### 3. Personal qualities

- Be aware of conservation issues and think of new ways to protect animals;
- Develop self-study skills.

#### II. MATERIALS

- Grade 12 textbook, Review 3
- Computer connected to the Internet
- Projector / TV
- *hoclieu.vn*

#### Assumption

| Anticipated difficulties                          | Solutions  |
|---|--|
| Students are reluctant to work in groups.         | <ul style="list-style-type: none"><li>- Encourage students to work in pairs and in groups so that they can help each other.</li><li>- Provide feedback and help if necessary.</li></ul>  |
| Students may lack vocabulary to deliver a speech. | <ul style="list-style-type: none"><li>- Explain expectations for each task in detail.</li><li>- Continue to explain task expectations in small chunks (before every activity).</li><li>- Provide vocabulary and useful language before assigning tasks.</li><li>- Encourage students to work in groups so that they can help each other.</li></ul> |

### III. PROCEDURES

#### 1. WARM-UP (5 mins)

##### a. Objectives:

- To create a friendly and lively atmosphere in the classroom;
- To set the context for the listening and reading part;
- To enhance students' skills of cooperating with teammates.

##### b. Content:

- Watching a video

##### c. Expected outcomes:

- Students can list some types of pollution.

##### e. Assessment

- T observes and gives feedback.

#### 2. ACTIVITY 1: pronunciation (15 mins)

##### a. Objectives:

- To check if Ss can identify different sounds and provide further pronunciation practice;
- To check if Ss can identify word stress and provide further pronunciation practice;
- To help Ss review homophones;
- To check whether Ss can identify the parts where the linking /r/ can appear;
- To check whether Ss can identify the parts where assimilation can occur.

##### b. Content:

- Task 1: Mark the letter A, B, C, or D to indicate the word whose underlined part differs from the other three in pronunciation.
- Task 2: Mark the letter A, B, C, or D to indicate the word which differs from the other three in the position of the main stress.

- Task 3: Listen and complete the sentences with the correct words. Then practice saying them in pairs.
- Task 4: Mark ( ) the places where the linking /r/ can appear. Listen and check. Then practise saying the sentences in pairs.
- Task 5: Read the sentences and underline the parts where assimilation can occur. Focus on the highlighted parts. Listen and check. Then practise saying the sentences in pairs.

**c. Expected outcomes:**

- Students can identify some new words related to the topic.
